## How to run Your Read-a-thon!

WEDNESDAY 4
I read for
22
minutes

Please use this sheet to keep track of how many minutes you read, or that someone reads to you.

**EVERY DAY**, write the number of minutes in the box for that day. At the end of the week, please add up the number of minutes you read that week and write that number in the "Weekly Total" box.

At the end of the Read-a-thon, no matter how many minutes you've read, you can receive a certificate, and *all participants receive a weekly prize!*

Please participate as often as you can during the month to help reach our school-wide goal of 200,000 minutes read! We can do it!
